Overflowing Abundance:

All Bank employees need to be trained to tell the difference between real and fake money. In the same way, we need to differentiate between things that come from God and the things that come from our spiritual enemies. The Holy Spirit has purposed to lead us. "For all who are being led by the Spirit of God, these are sons of God." God wants our cup to overflow with abundance (Psalm 23:5). How has He blessed you? In the drawing to the right, write or draw about a blessing that God has already given you.
