Faith: A New Way:

So many people depend only on what they can physically see, but we were made in the image of God and are given the ability to see with our hearts as well. We can use our hearts to see evidence of things that our limited bodies cannot. Consider the wind for example. We can't see the wind, but we can easily feel and even see the effects of the wind if we look closely enough. Is your heart open to seeing God's way?

Act: Ensure the choices you make are grounded in God's word and the actions you take are backed by faith. Read God's Word every day this week and ask Him to grow your faith.
