A Love that Multiplies:

The coming of God's kingdom is not visible to the eye because God's kingdom is in the hearts of His people. When someone decides to accept the Savior Jesus, he/she becomes citizen of God's kingdom. Jesus came so that all—not just a select few—could be saved. His love multiplies. It doesn't tear down or divide. When we show God's love to others, it helps build His kingdom and can help strengthen everyone, including us. In each of the links of chain, write the name of a friend or someone you love.
