Glorify and Trust in God Even In Uncertainty:

It can often seem like we live in a world filled with "what if's", a world filled with uncertainty that can lead us to wonder, doubt and worry. But we don't have to be anxious. Jesus died on the cross not just so that we may have eternal life later on, but so that we may have abundant, joyful life now. The bible recorded that God used five loaves and two fish from a child to meet the needs of over 5,000 people. Glory be to God who is a God of miracles!

Act: It can be difficult to focus on God when we're suffering. But in doing so, we glorify Him and He will strengthen and deliver us. The next time life starts to drag you down, glorify God so that He can lift you up!
